Cookie Policy

Use of cookies by Sensible Development

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site. The table below explains the cookies we use and why.

We use necessary cookies to make our site work. We'd also like to set analytics cookies that help us make improvements by measuring how you use the site.

Cookie	Name	Purpose
Sensible Development website session	JSESSIONID	This cookie is used to remember and identify the user's session on the website and any display preferences such as languages.
Universal Analytics (Google)	_ga _gali _gat _gid	These cookies are used to collect information about how visitors use our website. We use the information to compile reports and to help us improve the website. The cookies collect information in a way that does not directly identify anyone, including the number of visitors to the website and blog, where visitors have come to the website from and the pages they visited. Read Google's overview of privacy and safeguarding data
YouTube cookies	PREF* VSC* VISITOR_INFO1_LIVE* remote_sid*	We sometimes embed videos from our official YouTube channel using YouTube's privacy-enhanced mode. This mode may set cookies on your computer once you click on the YouTube video player, but YouTube will not store personally-identifiable cookie information for playbacks of embedded videos using the privacy-enhanced mode. Read more at YouTube's embedding videos information page. PREF - * Expires after eight months VSC - * expires at the end of your session VISITOR_INFO1_LIVE - *expires after eight months remote_sid - * expires at the end of your session

Vimeo cookies	player vuid	We sometimes embed videos from our official Vimeo channel. When you press play Vimeo will drop third party cookies to enable the the video to play and to collect analytics data such as how long a viewer has watched the video. These cookies do not track individuals.
Stripe cookies	_stripe_mid	Functional. This service is mostly used for payment processing. To provide fraud prevention by allowing Stripe to assess the risk of a transaction.

How do I change my cookie settings?

Most web browsers allow some control of most cookies through the browser settings. To find out more about cookies, including how to see what cookies have been set,
visit www.aboutcookies.org or www.allaboutcookies.org.

Find out how to manage cookies on popular browsers:

- Google Chrome
- Microsoft Edge
- Mozilla Firefox
- Microsoft Internet Explorer
- Opera
- Apple Safari

To find information relating to other browsers, visit the browser developer's website.

To opt out of being tracked by Google Analytics across all websites, visit http://tools.google.com/dlpage/gaoptout .
